We are a community that is dedicated to investing in uplifting women’s leadership so that we may become more effective allies in achieving our vision of a gender equal world. We speak to one another with consideration for diverse views. We show up for each other and this community with generosity of spirit. We may deliberate on opinions that may diverge from our own and in doing so, expand our own horizons.

GUIDELINES FOR ENGAGEMENT

As a member of this community:

- I support WMM as a safe space for open communication and collaboration among members.
- I recognize that every member is seen, heard, and valued, even when there is healthy disagreement.
- I have a responsibility to offer support and speak up against intolerance and abusive behavior I witness, even when that may feel uncomfortable.
- I am committed to building trust and contributing to the accountability and cooperation that sustains our community through open, ongoing, and in-depth dialogue.
- I agree to the WMM ‘share and not solicit’ policy, which invites members to be comfortable sharing what they do and are passionate about, but to refrain from any form of solicitation.
- I will support WMM’s efforts to quantify its collective impact by reporting to the WMM team yearly about my gender lens giving toward my membership commitment.

FINANCIAL CRITERIA

A GIFT OR COMMITMENT WITH A TOTAL VALUE OF \$250,000 USD OR MORE (within 5 years) to nonprofit organizations or initiatives that work toward the advancement of women and girls. All gifts and commitments made must have an explicit and clear gender lens and fit one of the following criteria: be philanthropic in nature such as U.S. IRS designation of 501(c)3 nonprofit organization or 501(c)4* social welfare organization, and / or investing in women-led business ventures whose business purpose is to benefit women and / or girls.

A DISTRIBUTION PLAN IS ENCOURAGED that is most comfortable for you. However, all gifts must be fully distributed within a consecutive 5-year time frame. Designating the recipients for your gift(s) is strongly encouraged but not required. Members making undesignated amounts (i.e. committing \$250,000 to organizations and initiatives benefiting women and girls TBD) must agree to yearly reporting until they have given equivalent to \$250,000 USD or more.

A PLANNED GIFT counts, provided the gift is irrevocable, has a present-day value equivalent to \$250,000 USD or more, and is made to a nonprofit organization or initiative clearly working to advance women and girls. Documentation is required.

GIVING THROUGH A DONOR ADVISED FUND (DAF) QUALIFIES, provided that the ultimate recipients of your gift(s) are designated according to the criteria outlined above.

MULTIPLE INDIVIDUALS MAY JOIN THROUGH A FAMILY OR PRIVATE FOUNDATION but each must be a family member with stewardship and decision-making authority. Unrelated staff of family/private foundations are not eligible to join. Learn more about Family Membership in our membership brochure [here](#).

PROGRAM RELATED INVESTMENTS (PRIs) QUALIFY if the ultimate recipients of your gift are designated according to the criteria outlined above. A PRI is a loan, equity investment, or guaranty, made by a foundation in pursuit of its charitable mission rather than to generate income.

A MINIMUM ANNUAL CONTRIBUTION OF \$2,500 USD per member is required for membership in Women Moving Millions. This contribution is tax-deductible and may be counted toward the \$250,000 NextGen membership requirement. View membership benefits above.

*Regarding political giving, only 501(c)4 social welfare organizations, which are permitted to advocate for political issues but not directly for candidates, will count toward the WMM commitment.

ENGAGEMENT OPPORTUNITIES

WMM strongly encourages all members to participate in at least one **PROGRAM OFFERING** per year, such as the Annual Summit, Philanthropic Leadership Program, Regional Gatherings, or other programs and online platforms ([learn more here](#)). We recommend completing the **PHILANTHROPIC LEADERSHIP PROGRAM** within the first 2 years of membership. The program is an immersive learning journey designed to help you build and amplify your leadership and deepen your impact and the program fee is covered by your annual membership contribution (members must cover their own travel and accommodation costs). WMM invites all members to introduce the organization to other prospective members by **HOSTING A REGIONAL EVENT** in their local community, **INVITING THEM TO THE ANNUAL SUMMIT**, or **CONNECTING THEM TO THE WMM TEAM**. Learn more about our membership benefits and engagement opportunities [here](#).
